**SUMMER [ for students aged 13-17 ]**

IH San Diego is excited to offer an all inclusive homestay junior program in July and August 2017. The program is open to students of all English abilities, and interactive classroom activities and four weekly field trips to exciting local attractions provide a fun-filled language and cultural immersion experience.

All students have the opportunity to enhance their language skills and learn about American customs by living with host families. The Summer Homestay Junior Program is the perfect opportunity to improve language skills, explore all that San Diego has to offer, and make new friends for life.
